DESCRIPTION:	In Wagram, the Gemischte Satz has a great tradition. The wine is from the single vineyard, Hausberg, where eight different grape varieties are planted together, mix & match. This means that they grow side by side and are harvested and handled together. The vineyard is located below a little forest with the remains of a medieval wooden fort. After a maceration period of 12 hours on the skins, this wine was matured on the lees for almost a year in large wooden barrels and concrete eggs. Notes of honey and fully ripened pears enhance its complex texture, beautiful concentration and excellent ageing potential. The Gemischte Satz is truly authentic and every year it is eagerly anticipated because each vintage always delivers something different.
PAIRING RECOMMENDATIONS:	Foie gras, catfish, carp, beef, fried chicken

“A WINE LIKE IT ALWAYS HAS BEEN:
UNIQUE, RICH IN CHARACTER AND FULL OF BODY.”
